

GARLAN CHAIN®

YOUR TRUSTED BRAND SINCE 1967

Garlan Chain Company is a second generation family owned and operated business that has been manufacturing chains in Attleboro Massachusetts since 1967. We domestically manufacture over 1,500 styles of chain. If you can't find what you're looking for, send us a sample, chances are we can make it for you. We also produce and offer a wide range of closures and jump rings to complement our chains.

In addition to manufacturing chains and findings we do custom assembly work for customers that want their chain cut and/or assembled. For those customers that prefer their chain in continuous footage we offer both spooling and hanking options.

At Garlan Chain we pride ourselves not only on the quality of our chains, but also on the quality of the customer service that we offer to our customers, big and small. With low minimums, a huge variety, and quick turn-around times it's no wonder that Garlan has been the "go to" chain company for industries such as jewelry, beading and fashion.

The Garlan family would like to invite you to join our long list of satisfied customers and also express our thanks to those who have allowed us to service their needs for almost half a century... Thank you!

Sincerely,
